Reference Librarian,
Newberry Library,
Chicago, Ill.

Dear Sir:

I enclose with this a copy of records I have gathered on the Wood family in search for an ancestor. I regret that I was not successful.

However I feel that the manuscript id fairly complete for the time that it covers, and would like permission to present it to your genealogical department with the hope that some other searcher may find it of service, and be spared the expenditure of time and money that the compilation has cost me.

Very truly yours,

Eugene D. Preston

These notes were gathered in an attempt to learn the parentage of one JOHN WOOD of Rehoboth, Mass, who there had children recorded from 1746 to 1766. His wife was one SARAH THURBER born in Swansea, Mass., Aug. 12, 1717, daughter of John (3) and Sarah (Leonard) Thurber. Any clew to the ancestry of this John Wood will be gratefully received by the compiler.
